

align_minimap2

```
graph TD; align_minimap2 --> coverage_bedtools; fastqc --> all; coverage_bedtools --> all;
```

A flowchart with four nodes in rounded rectangles. The top node is 'align_minimap2' with a red border. An arrow points down to 'coverage_bedtools' with a green border. To the left of 'coverage_bedtools' is 'fastqc' with a cyan border. Arrows from both 'fastqc' and 'coverage_bedtools' point down to the bottom node 'all' with a yellow-green border.

fastqc

coverage_bedtools

all
